WEEK FOUR OVERVIEW

The Zydeco wanted to start the season the way the ended last year: HOT. For the first time in franchise history, the Zydeco are on a four game winning streak. They have been playing the way Coach Everett Thompson has been preaching since day one of training camp.

All of that will be put to the test this week as the Zydeco welcome the reigning regular season champions to town: the Columbus River Dragons. The River Dragons have only played 4 games to this point in the season, however, they have only allowed one goal in that time frame.

This will be the first "measuring stick" game the Zydeco will have to go up against one of the top teams in the league and see how they measure up

WEEK THREE RECAP

Last week, for the very first time, the Baton Rouge Zydeco welcomed the Danville Dashers to Louisiana. Friday night was heavily in favor of the Zydeco as the dominated just about from the drop of the puck. The Zydeco jumped out to a 2-1 lead thanks to goals from Matt Gordon and Brodie Thornton. The second period saw the Zydeco continue to dominate and get yet another powerplay goal from Shane Haggerty. Parked right atop the crease like he normally is on the powerplay, he picked up his own rebound and shovelled it to the back of the net. Brodie Thornton closed out the scoring for the Zydeco in the third period as he picked up his fourth of the season, another powerplay tally. Breandan Colgan appeared in his 5th straight game for the Zydeco and made 19 saves for the victory.

Saturday saw the Zydeco come out flat and dig a hole of 3-1 halfway through the second period. They would fire back with 4 straight goals to end the second period. This game also saw a lot of chippiness as both Elijah Wilson and Ryo Namiki got fighting majors in this game. Danville would tie things up in the 3rd period, but as overtime was closing out Kevin Szabad found himself on a breakaway from the center ice line in and deked goaltender Parker Rutherford and grabbed the extra point for the Zydeco. Colgan was between the pipes once again and made 24 saves on his way to his fourth win of the season

MEASURING STICK WEEKEND

This weekend's games against the Columbus River Dragons will be the first time this season the Zydeco will be able to compare themselves to one of the top echelon teams in the FPHL. They are looking to put their name into the conversation of teams to beat. Performing well this weekend will absolutely put the Zydeco on the map.

Columbus has only given up 1 goal all season long. Granted, they have only played four games all season long, however, three shutouts in their first four games makes this the biggest test for the Zydeco offense this year.

The Zydeco offense is tops in the FPHL on goals per game with 4.86. Its a trend that has been pretty solid all year long. Only once have they been held to below three goals and that was the second game of the season. They look to keep rolling this weekend and try to find a way to knock down the brick wall that is the Columbus Defense and Goaltending.

SPECIAL TEAMS

One of the big aspects to watch this weekend will be the special teams for both sides. On paper, they look just about even: the Zydeco are at 21.6% on the powerplay, Columbus is 21.4%. On the penalty kill, the Zydeco have killed off 93.3% and the River Dragons are killing off 91.7% of their penalties.

Baton Rouge has killed off their last ten straight penalties, and last weekend Columbus scored three powerplay goals on eleven attempts. Both are trending upward and it will be interesting to see if either teams' special teams play can power them to victory.
